re: Kohnen-Starkey, Inc.
Letter of Commendation

To Whom it May Concern:

Lewis & Zimmerman Associates, Inc. (LZA) is pleased to recommend Kohnen-Starkey, Inc. (KSI) for cost estimating services.

KSI has worked with LZA for the past five years on value engineering (VE) contracts with the Department of Defense. KSI serves as a team member on VE studies related to the design and construction of military facilities. The firm is dependable, reliable and efficient, and produces quality cost estimates. They are our top choice for cost estimating services.

Please do not hesitate to call me if you have any questions.

Sincerely yours,

LEWIS & ZIMMERMAN ASSOCIATES, INC.

Mary Ann W. Lewis
President
